Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

The operation of the Waterfront Garden Centre is specifically targeted at provision of opportunities for adults with learning disabilities who are interested in horticulture and who are referred to the project by Adult Social Care. The Centre has had a number of successes and is supported by a qualified Social and Therapeutic Horticulturist. The case studies within the report clearly illustrate how involvement in the Garden Centre's offer can have a significant impact on the quality of life of its participants.

How are you going to measure/check the impact of your proposal?

The Centre already has a series of mechanisms in place to monitor how the delivery of the offer impacts on the adults who are referred to them. This enables areas such as independent living, workplace and social confidence to be considered in the overall impact of the participants.

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

The operation of the Waterfront Garden Centre is focused on horticulture and growing. The skilling of the adults with learning disabilities into Growers enables them to work in a number of different places across the city where their horticultural skills can be maximised and used to enhance other spaces e.g. Civic offices open air restaurant. They are strong advocates for the use of planting to support their work and enjoy participating in wider initiatives such as Wilder Portsmouth Day.

How are you going to measure/check the impact of your proposal?

The Waterfront Garden Centre is always seeking to expand the number of partner organisations it works with and it is clear the more they can raise knowledge of their offer the more organisations may get involved so they could have a wider impact.

If you want more information contact [Claire.Looney@portsmouthcc.gov.uk](mailto:Claire.Looney@portsmouthcc.gov.uk) or go to:

<https://www.portsmouth.gov.uk/ext/documents-external/pln-portsmouth-plan-post-adoption.pdf>

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

The provision of the Waterfront Garden Centre supports the seafront being a vibrant and attractive place to visit - both for residents and visitors. The provision of a sales offer is an intrinsic part of the offer and the specialist plant knowledge being developed by the Growers is a key part of with offer and much appreciated by visitors to the centre. The care of planting in other spaces also contributes to improving small areas of landscape making the city a greener space where people want to live and visit.

How are you going to measure/check the impact of your proposal?

Sales figures from the centre provide one measure whilst feedback from visitors and residents on the planting and areas the Garden Centre are responsible for are collated as part of the overall operation.

## C - Regeneration of our city

Yes

No

Is your policy/proposal relevant to the following questions?

**C2-Employment and opportunities** - Will it promote the development of a skilled workforce?

In thinking about this question:

- How will it improve qualifications and skills for local people?
- How will it reduce unemployment?
- How will it create high quality jobs?
- How will it improve earnings?

If you want more information contact [Mark.Pembleton@portsmouthcc.gov.uk](mailto:Mark.Pembleton@portsmouthcc.gov.uk) or go to:

<https://www.portsmouth.gov.uk/ext/documents-external/cou-regeneration-strategy.pdf>

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

The operation of the centre is specifically targeted at supporting a sector of the community where their skills levels are often at a low starting point. The individual action plans for the Growers, supported by a regular review programme enable the Growers to become more skilled and competent with the longer term aim to encourage people into employment, voluntary work or other involvement in community projects.

How are you going to measure/check the impact of your proposal?

The individual action plans are regularly reviewed with the individuals involved.

## C - Regeneration of our city
