

# Integrated Impact Assessment (IIA)

Integrated impact assessment (IIA) form December 2019

[www.portsmouth.gov.uk](http://www.portsmouth.gov.uk)

The integrated impact assessment is a quick and easy screening process. It should:

- identify those policies, projects, services, functions or strategies that could impact positively or negatively on the following areas:
  - Communities and safety
  - Regeneration and culture
  - Environment and public space
  - Equality & - Diversity - This can be found in Section A5

**Directorate:**

Culture, Leisure & Regulatory Services

**Service, function:**

Culture

**Title of policy, service, function, project or strategy (new or old) :**

Proposed Sister City Links with Halifax, Canada and the Falkland Islands

**Type of policy, service, function, project or strategy:**

- Existing
- New / proposed
- Changed

**What is the aim of your policy, service, function, project or strategy?**

To establish two new Sister City links between Portsmouth and both the Falkland Islands and Halifax, Nova Scotia.

Has any consultation been undertaken for this proposal? What were the outcomes of the consultations? Has anything changed because of the consultation? Did this inform your proposal?

No specific consultation has been undertaken for this proposal however the request has arisen as a result of a desire to acknowledge both the historical and potential trade links with these two areas.

Both the areas identified for the establishment of a new link are intrinsically linked through history to the City of Portsmouth and this proposal seeks to establish a formal link which will bring recognition to these relationships. Whilst building and planning for exchanges of information and business development going into the future, these new links will acknowledge the cultural impact this history has had on the city.

How are you going to measure/check the impact of your proposal?

The impact of the new relationships with both areas will be monitored through the delivery of the International Relations Strategy which has recently been considered by Resources committee. It is anticipated that if agreed then any work between Portsmouth and both the Falkland Islands and Halifax will be listed in the strategy Action **+**

We are already aware of a number of business interests in Portsmouth by business from both the Falkland Islands and Halifax and plans are currently underway for the development of a further trade mission to Canada in summer 2020 where it is anticipated that further growth in business and investment will follow.

How are you going to measure/check the impact of your proposal?

The direct impact of the new relationship and any subsequent business or investment growth will be monitored by the Economic Development team and will also be reflected in the International Relations Strategy Action plan if appropriate.
