www.portsmouth.gov.uk

The integrated impact assessment is a quick and easy screening process. It should:

- identify those policies, projects, services, functions or strategies that could impact positively or negatively on the following areas:
 - Communities and safety
 - Regeneration and culture
 - Environment and public space
 - Equality & - Diversity This can be found in Section A5

Directorate:

Regeneration

Service, function:

Transport Planning

Title of policy, service, function, project or strategy (new or old) :

Transport for the South East - Formal Consent for Proposal to Government

Type of policy, service, function, project or strategy:

- ☐ Existing
- ☒ New / proposed
- ☐ Changed

What is the aim of your policy, service, function, project or strategy?

To inform members of the TfSE proposal to Government to become a statutory body and seek formal approval from members for submission of this proposal to Government.

Has any consultation been undertaken for this proposal? What were the outcomes of the consultations? Has anything changed because of the consultation? Did this inform your proposal?

Local authorities and stakeholders in the South East region were consulted on the proposal to government. The feedback from this consultation was fed into a redraft of the proposal which will not be submitted to the secretary of state following agreement from member authorities.
