

Council Agenda Item 14

Urgent decision by the Chief Executive - Use of Standing Order 58 to temporarily extend licensing delegations

The Chief Executive exercised his decision making powers under Standing Order 58 and after the necessary consultation made the following decision:

The Chief Executive considered it necessary and proportionate to approve the temporary extension (until 31 August 2020) of current delegations to officers so as to enable the suspension or revocation of licences for non-payment of fees or failure to provide documentation and that where it appears the interests of public safety require, in relation to the provision of documentation or payment of fees, officers be able to revoke or suspend driver's licences with immediate effect.
