To therefore read as follows:

Council condemns the senseless torture and murder of George Floyd.

Council notes that the death of George Floyd in the USA has attracted significant international attention and peaceful protest, as yet another tragic example of people from Black, Asian and Minority Ethnic (BAME) communities being treated as if their lives matter less.

From our Government's deportation of the Windrush generation who came to rebuild this country after WWII, to the persecution of Yazidi Christians in the Middle East and Rohingya Muslims in Myanmar, to the killing in Charlottesville, the dream that all lives matter rings hollow for many.

Council believes that black lives matter, and resolves to send a message of solidarity and support to those who have attended Portsmouth's home grown Black Lives Matter peaceful protests, in recognition of the importance of peaceful protest against racial injustice, racist violence, and abuse of power, and in recognition that in Portsmouth, the right to life, liberty, and justice of every citizen is precious, and that we all have a role in upholding and defending these rights.

In particular Council condemns the actions of President Trump in deploying violence against peaceful protests against police brutality in numerous US cities.

Council resolves to support calls for the Department for International Trade to suspend exporting of CS and tear gas, rubber bullets, and similar riot control equipment to the US pending investigation of whether any UK-supplied equipment has been misused by US authorities against peaceful protestors.

Council resolves to seek a revisit the findings of the Government's Race Disparity Audit (2017), the Lammy Review (2017), and the McGregor-Smith Review (2017), among others, and their recommendations for developing effective strategies to reduce disparities between ethnic groups in our city.

Council resolves to welcome the EHRC's announcement of an inquiry into long-standing structural race inequalities in the UK in relation to Covid-19 deaths, and commits to working to address structural inequalities in the city through engagement with communities in Portsmouth to assess the impact of the pandemic on the most vulnerable.

Council asks Cabinet to appoint cross-party Equalities Champion to oversee the Council's work on equalities, diversity and inclusion

Council requests that the Cabinet brings forward a report on the actions it will take to address structural inequalities in the city and how these actions will be delivered and monitored. The report should address the resourcing of BAME groups to ensure they have stronger voices and influence both within our communities and among our workforce, and a commitment to developing an anti-racism strategy for the city in conjunction with communities and partners such as the police and NHS.

This should include:

- 1) The cabinet be asked to work with local groups to ensure BAME voices are heard locally in decision making and to feed into inquiries on the handling of the Covid-19 pandemic
- 2) The Cabinet be asked to Review to improve engagement with BAME community groups by the council to see what lessons can be learnt to strengthen cohesion, engagement and closer partnership working to root out all forms of racism and injustice
- 3) That Officers through the Cabinet be asked to undertake a Review to improve existing learning and development for all Members of the City Council to ensure that as community leaders councillors are aware of their responsibilities and obligations in law
