Subject: Proposed bar on the pier

Dear Debra

I write as a resident living opposite the pier in the McCarthy & Stone development.

I would like to register my opposition to the proposed new bar. Apart from the noise factor late at night, I believe there are also no public conveniences on the pier. Given the distance to the ones at the Canoe Lake I think we can see what would happen here.

South Parade knocked down the row of night clubs to return the area to a residential development. This would undoubtedly be a step backwards.

Yours sincerely
