  - Regeneration and culture
  - Environment and public space
  - Equality & - Diversity - This can be found in Section A5

**Directorate:**

Housing, Neighbourhood and Building Services

Energy Services

**Title of policy, service, function, project or strategy (new or old) :**

Home Energy Support Service

**Type of policy, service, function, project or strategy:**

- Existing
- New / proposed
- Changed

**What is the aim of your policy, service, function, project or strategy?**

To develop an offer of support, audit and delivery of energy efficiency and renewable energy; additional to the support given under fuel poverty mitigation schemes.

Has any consultation been undertaken for this proposal? What were the outcomes of the consultations? Has anything changed because of the consultation? Did this inform your proposal?

Consultation undertaken prior to publication of the Home Energy and Water Strategy suggested that this proposed support, for a wider audience than just the fuel poor, would be welcomed.
