Dear Mr Stone,

Thank you for your email dated 5th February forwarding a response from The Grand Hotel Excelsior to comments made about their licence application.

It is clear that the Company Administrator has not read my comments as I have suggested that Live Music, Dance and Film should only be permitted indoors and should end at 24.00 hours. None of these activities should be permitted outdoors. Further more these activities should be subject to an appropriate noise level limit which I have suggested should be 90dB.

I was very glad to read that the hotel is also concerned that paying guests should enjoy a restful night. In which case it is totally inappropriate that the Hotel should seek a licence for Live Music and Dance till 3am.

I'm afraid that my comments stand and I wish to proceed with my representation.

Kind regards

RB McDonald

Dear Mr McDonald

Portsmouth City Council are in receipt of your representation against the above Premises Licence application.

Please see attached correspondence from the applicant who has been advised regarding your concerns, and who has set out an explanation on how they will operate.

The full application is available on PCC website under Licensing Ref number 21/00308/LAPREM

Once you have had the chance to digest its content can you advise me if you wish to proceed with your representation.

If Reprs are not withdrawn, then the matter must proceed to a Licensing Sub-Committee hearing for determination.

This will be a virtual meeting via Microsoft teams due to the Covid 19 restrictions currently in place. The hearing will be broadcast live as it is a public hearing and prior to the hearing all documents including representations are published as they are public record.

I look forward to hearing from you in due course.

Kind regards

Derek
