Dear Sir/Madam,

I am writing to you today to inform you of our objection to this application for a premises licence at 27 St Georges Road for the sale of onsite and offsite alcohol. Previously this had been an an establishment which made celebration cakes so this is a significant change of usage.

This is a QUIET residential area . It is very likely that there would be significant noise both on the forecourt and in the rear garden. (the garden at the rear of our house at 114 Festing Grove, is less than 100metres as the crow flies from the rear garden of the proposed premises)

The off licence sale of alcohol would inevitably attract anti social behaviour both on the forecourt and in the small park area nearby behind the Beach Huts with the attendant littering

Both a cafe and an off licence would put considerable pressure on the parking in and around the streets in the area.

Yours faithfully,

David and Susan Ellam
