

Integrated Impact Assessment (IIA)

Integrated impact assessment (IIA) form December 2019

www.portsmouth.gov.uk

The integrated impact assessment is a quick and easy screening process. It should:

- identify those policies, projects, services, functions or strategies that could impact positively or negatively on the following areas:
 - Communities and safety
 - Regeneration and culture
 - Environment and public space
 - Equality & - Diversity This can be found in Section A5

Directorate:

Port

Service, function:

Statutory Harbour Authority

Title of policy, service, function, project or strategy (new or old) :

Harbour Revision Order encompassing several existing Orders and repealing irrelevant and outdated Orders.

Type of policy, service, function, project or strategy:

- Existing
- New / proposed
- Changed

What is the aim of your policy, service, function, project or strategy?

The port has undertaken a legal review of its powers and legislation. The result of such review was to consolidate the many existing pieces of legislation into a single modern Harbour Revision Order and application for the Powers of General Direction

Has any consultation been undertaken for this proposal? What were the outcomes of the consultations? Has anything changed because of the consultation? Did this inform your proposal?

Public consultation will be undertaken as part of the Marine Management Organisation application process

A - Communities and safety

Yes

No

Is your policy/proposal relevant to the following questions?

A1-Crime - Will it make our city safer?

In thinking about this question:

- How will it reduce crime, disorder, ASB and the fear of crime?
- How will it prevent the misuse of drugs, alcohol and other substances?
- How will it protect and support young people at risk of harm?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

During recent years anti-social behaviour including Jet-Ski and other Personal Watercraft being operated in the Camber, and swimming in proximity to cross solent ferries, has become more prevalent. The police, through operation Wavebreaker have asked that we have sufficient legal powers in place to enable them to take action and for the port to prosecute in the event of a breach of the General Directions. The present 1930's Byelaws are in the most part, irrelevant to today's operations.

How will you measure/check the impact of your proposal?

Close liaison with the Police and Community Wardens to monitor effects of the General Directions on Anti-social behavior around the Camber and other port areas.

Having the modern Revision Order and General Directions will ensure the waterfront areas of the port are an attractive place for people to operate businesses. The Revision Order enables the port to raise dues for the use of Port Property and working cargo's which will be to the benefit of the City as Port Owners, and in turn allows the public to use the quays and docks of the Port to trade.

How are you going to measure/check the impact of your proposal?

New business into the port by financial budgets. Customer interaction and compliments / complaints
