Subject: Premises Licence application 92 Osborne Road

Dear David

Please be advised that following the re-advertising of the above application the closing date for representations is today.

Can you confirm for me that the representation you previously submitted is still valid, and that you wish these concerns to be considered as an objection to the application.

On the basis that you do not wish to withdraw your representation, the matter will now proceed to a Licensing Sub-Committee hearing which must be heard within 20 working days from tomorrow.

As soon as I have a hearing date you will be notified.

Once I have your instructions I can give you a lot more information regarding how the hearing will take place which will be in a Covid secure environment.

Kind regards

Derek
