

To THE LICENSING  
MANAGER,

My name is Darren Churcher  
I come to this Pub all the time  
and there's no trouble, But I was  
here the night of the fight, and  
It wasn't Tom's fault just some  
Proudly guys causing trouble  
and I had to pull them off  
of our landlord, But I will  
always come here because I  
feel safe in a good environment  
and so do all of my friends,  
part from Silly People  
causing trouble
