

To,

The Licensing manager.

I have known Sam & Tom for many years now and they're good, hard-working people who have had some bad luck recently, especially with the recent events disparaging the pub's reputation:

I hope people are able to see past that or allow Sam & Tom a second chance to demonstrate what a decent, friendly & welcoming place the pub can be.

A lot of people enjoy the pub including myself. I have had many a good night and would like the opportunity to come back for many more fun evenings.

Please allow them a second chance to prove themselves.

Yours faithfully
Kate
