

APPENDIX C

To the Manager of Licensing,

I would like to offer my support to Sam & Tom Yaman at this difficult time.

They do not deserve all the bad press and the repercussions from strangers who have been leaving very negative messages on the News story.

I think they run a tight ship and have some very happy regulars, who enjoy their friendly welcoming atmosphere.

I do hope that they may continue their hard work as it's always a pleasure to visit.

Yours Sincerely,
Mark.
