

To The Licencing Manager, **APPENDIX C**

Hi My name is Beverley Powell, and I have worked at the Duke of Devonshire since 2014 during Mollie's reign and now Tom + Sams.

During Tom and Sams time here things have got a lot busier but I have never felt uncomfortable or vulnerable, if things have come to a head it has usually been dealt with swiftly and efficiently.

I have never experienced any drug issues personally but I know people slip through the net.

We do I.d. People but again there are times a few get passed us.

Yours Sincerely

Mrs Beverley Powell
