The recognition scheme and ceremony is flexible enough to be applied to all types of employees within the authority. The open nomination process would allow for a fair and equitable chance for all employees to be nominated. If monetary rewards were to be awarded in the future these would have to be in accordance with equal legislation, for example be applied fairly and equitably and will be applied within the remit and limitations of existing policies. The additional days annual leave will be applied equally to all PCC staff.

How are you going to measure/check the impact of your proposal?

Employees can be surveyed to identify the types of reward that they perceive to be of value. Regularly checking this will also ensure the reward and recognition scheme continued to meet the needs and values of employees and therefore having the desired effect of motivating and retaining staff. This has been demonstrated as a useful tool following the feedback from the 2020 staff survey which outlines the importance for staff of time off.
