CITY COUNCIL

**QUESTIONS FROM THE PUBLIC
UNDER STANDING ORDER 25**

CITY COUNCIL MEETING – 18 MARCH 2014

QUESTION NO 1

FROM: MR ALAN BURGESS

**TO REPLY: LEADER OF THE COUNCIL
COUNCILLOR GERALD VERNON-JACKSON**

In the light of BAE systems departure, will the Council look at dockyard developments presented by B9 shipping and B9 energy, B9 shipping have flow tested a prototype ship with sails, this involves Rolls Royce technology, has the research backing of Manchester and Southampton Universities and was designed by Humphrey's Yachts of Lymington, in addition B9 energy are looking at plans to recycle ships and oil rigs using green energy?
