

Appendix1

Capacity and Transition Fund: Bids Received and Grant Awards made.

Recommended for Support

Organisation	PARCS
Project	Establishing and developing an ETS (specialist emotional telephone counselling service) to supplement the existing service offer utilising additional volunteers which once trained can be mainstreamed into the main service. This will reduce waiting times and decrease some of the pressures on statutory services including health and social care.
Sum Requested:	£9,100.00
Sum Awarded:	£9,100.00

Organisation	Southern Domestic Abuse Service FGM CDF
Project	Southern Domestic Abuse Service (SDAS) is currently working with Portsmouth University and African Women's Forum (AWF) on a research project to ascertain if girls from identified diaspora groups in Portsmouth are vulnerable to Female Genital Mutilation (FGM) and to explore the impact of FGM on the lives of women who underwent the procedure prior to or post migration. The final data will be available at the end of March 2014. The organisation plan to use this data to generate policy and intervention recommendations for stakeholders, to help shape the direction of and develop training on FGM for key professionals in Portsmouth including the police, education, midwifery service, other statutory services and the voluntary sector and develop and deliver the interventions identified to meet the needs of women and girls affected by or at risk of FGM.
Sum Requested:	£19,703.00
Sum Awarded:	£19,700.00

Organisation	Education Business Partnership Cities of Service
Project	This project aims to contribute to the work of the Team Portsmouth – City of Service programme challenge A by ensuring that through the EBP, there is a strong vehicle in place to support the programme of coaching and mentoring in schools, harnessing the significant contribution of volunteers from across businesses and the local community.
Sum Requested:	£19,242.00
Sum Awarded:	£19,240.00

Organisation	Community Action Hampshire
Project	The aim of the project is to provide a training and support programme that develops the capacity of voluntary and community organisations working in the city of Portsmouth to be better able and prepared to apply for funding and collaborate to develop funding opportunities. The project will provide dedicated and intensive support to help organisations improve their chances of submitting successful bids and generate independent income.
Sum Requested:	£20,000.00
Sum Awarded:	£20,000.00

Organisation	EC Roberts Centre
Project	Adept Project: Will work with Parents who have had a child taken into care for neglect or are going through the final court process. Adept Keyworkers will work with Mothers/Fathers/Parents supporting them to begin to make the life changes and learn skills and improve abilities that were the subject of neglect concerns. This service will act as a protection for future children as well as current vulnerable adults and children.
Sum Requested:	£ 20,000.00
Sum Awarded:	£20,000.00

Organisation	Portsmouth Mind
Project	To reconfigure the current services to a new approach that embraces true user leadership and involvement and progresses the organisation's work to a new model of peer led support. The project is about changing from the current structures to become peer led and move into the community away from building based services.
Sum Requested: £20,000.00 Sum Awarded: £20,000.00	

Organisation	Learning Links "Families our Future"
Project	Through the Families Moving Forward [FMF] Project [Supported by the Big Lottery Fund] Learning Links has been supporting families before they become troubled. They will use this experience to advance the case for helping families across the City earlier on and will conduct research into the effectiveness of the current FMF model and innovative approaches from outside the Portsmouth UA area. This research will be used to pilot new models of delivery
Sum Requested: £19,943.00 Sum Awarded: £19,940.00	

Organisation	Motiv8
Project	The specific focus of the project is on Compliance, Evaluation, and Quality Assurance for continuous improvement, and adopting business models to ensure maximum Financial Effectiveness. Whilst these are areas where Motiv8 has historically had some resources there is a need to adapt due to very significant changes in income streams over the past 2-3 years. The funding will be invested in infrastructure to improve compliance and evaluation and increase financial understanding within retail and trading environment as historically the organisations strength has been charity accounting.
Sum Requested: £18,000.00 Sum Awarded: £18,000.00	

Organisation	Education Business Partnership
Project	This project aims to build on EBP's track record of engaging business with education, and to facilitate much greater investment in the process amongst businesses of all sizes including small and medium sized enterprises. This funding will help them to build on the changes they have already implemented and to further engage with businesses to help develop a sustainable model for longer term income generation. This will ensure that EBP can expand and develop these important Career Insight programmes for several years ahead.
Sum Requested: £8,668.00 Sum Awarded: £8,660.00	

Organisation	Parity Trust
Project	In order to provide a timely and cost effective service, the organisations will used the funding to enable them to develop a bespoke interactive content management system for storing their loan data. The system would allow clients to access their own records, thereby improving their financial management. Access to the system including payment records and balances will increase financial awareness for clients as they will be able to budget and plan accordingly.
Sum Requested: £10,000.00 Sum Awarded: £10,000.00	

Organisation	Bivol Trust
Project	The organisation provides opportunities to young people with disabilities. To increase staff time in financial marketing and income generation to enable a transition from a grant based approach to funding to income generation through a retail outlet in the city. Retail employment opportunities will be developed for the young people.
Sum Requested: £12,870.00 Sum Awarded: £12,870.00	

Organisation	Portsmouth Counselling Service
Project	To develop specialist counselling knowledge, skills and expertise in trauma. The project will provide a trauma training programme and clinical support to a team of qualified experienced counsellors enhancing the existing offer. This will up skill, expand and develop existing expertise and equip the organisation to bid for future funding tenders
Sum Requested: £11,570.00 Sum Awarded: £11,570.00	

Organisation	Portsmouth Citizens Advice Bureau
Project	The project will help mitigate the effects of welfare reform by increasing capacity to meet increased demand. Funding will be used to train advisors to meet the demand for advice by expanding the volunteer workforce to open more sessions at the city centre location
Sum Requested: £18,976.32 Sum Awarded: £10,920.00	

Nil Recommendations

Organisation	Portsmouth Family Welfare

Sum Requested: £5,000.00 Sum Awarded: NIL	

Organisation	Express FM
Project	The 'radio for change,' project aims to provide a platform for young people to openly debate what their needs are, what issues directly affect them and also what development and what support is needed. The audio can then be podcasted on social media, where people can view their opinions on issues raised. The funding will provide a full-time project worker in order to successfully manage the courses. The direct benefit will go to the young people who will receive life and employability skills.
Sum Requested: £20,000.00 Sum Awarded: NIL	

Organisation	Wymering Manor Trust
Project	The funding requested is to enable the Trust to remove the asbestos from the central portion of the Victorian wing of the house, which will allow free access to both principal rooms. Also requested funding for the fold down platform wheelchair lift to allow the Trust to provide suitable access for those with impaired mobility to all of the facilities within the Victorian wing.
Sum Requested: £16,790.40 Sum Awarded: NIL	

Organisation	Kings Theatre
Project	The organisation wants to develop a 12-month Arts Participation Programme consisting of accessible arts participation opportunities for children in Portsmouth. This project will help establish the new space in the Kings Theatre as a community asset that will contribute to the support to increase achievement of children and young people in the city.
Sum Requested: £14,150.00 Sum Awarded: NIL	

Organisation	Portsmouth Sail Training Trust
Project	To provide opportunities for learning to sail, free of charge, for young people up to the age of 21 who could not otherwise afford such an opportunity. PSTT will be working in partnership with the Boleh Trust which has received a grant from the Heritage Lottery Fund for this purpose, and the organisation is asking for a contribution to PSTT's running costs for the first year of operation.
Sum Requested: £20,000.00 Sum Awarded: NIL	

Organisation	Portsmouth Citizens Advice Bureau
Project	To help mitigate the effect of welfare reforms: CAB wish to deliver 1:1 budgeting sessions to individuals affected by welfare reforms and others. In addition they will deliver structured and tailored sessions to front line workers. They want to employ a part time Financial Capability Co-ordinator to support a team of trained volunteers.
Sum Requested: £16,431.00 Sum Awarded: NIL	

Organisation	Portsmouth Counselling Service
Project	To provide counselling and outreach work for members of Portsmouth's BAME community. The funding would pay for counsellor fees and interpreter costs together with other costs.
Sum Requested: £13,770 Sum Awarded: NIL	

Organisation	Positive Action
Project	The project is to support individuals and families' living with HIV by extending the drop-in service in Portsmouth. To remain in line with the services provided to residents in Hampshire and Southampton the organisation would like to propose to increase accessibility to specialist support services in Portsmouth.
Sum Requested: £9,544 Sum Awarded: NIL	

Organisation	Music Fusion
Project	To engage young people most considered "at risk" within the city in tailored music and media projects. This will be delivered in partnership with other local charities in the city. They hope to be able to draw in additional funding
Sum Requested:£19,940 Sum Awarded: NIL	

Organisation	SEAP
Project	SEAP Advocacy Navigator project, supporting vulnerable adults leaving Police custody. The project provides a 'no wrong door' approach, guiding and supporting clients with planned referrals, and preventing introductions to other services which cannot help.
Sum Requested: £18,593 Sum Awarded: NIL	

Organisation	SEAP
Project	The project aims to ensure that people with mental health problems, neurological conditions, acquired brain injury and learning disabilities that are being assessed for access employment and support allowance (ESA); and personal independence payment (PIP); receive appropriate decisions on their claims. The context for the project is the on-going process of welfare reform affecting disabled people. The funding will pay for a part time advocate (20 hours/week). The advocate's work will be focused on mitigating the effects of welfare reform on the benefit entitlements of disabled Portsmouth residents
Sum Requested: £19,562.00 Sum Awarded: NIL	

Organisation	SEAP
Project	The project aim is that vulnerable military veterans in Portsmouth will gain confidence, self-reliance and empowerment to deal with their life issues, gain better access to the services they need, and integrate into the local community.
Sum Requested:£ 19,400.00 Sum Awarded: NIL
