Subject: Licensing application Delaneys 22/01448

Good afternoon Hazel

I hope you don't mind the direct email, I have tried numerous times to get onto the Portsmouth website to add my comments but it won't accept any of my email addresses.

I would like to add my voice to support the application from Belinda Delaney for the extension of her current licensing hours. Belinda has worked tirelessly to evolve her business to keep it afloat, spending a fortune in the process and has put up with a lot of unnecessary hassle from several locals who are intent on causing problems for her. She has been a mainstay of Castle Road for I believe around 10-15 years now and her business is an asset to the road. I wish her all the luck in her application and hope it is successful.

Thank you

Kind regards

Lorraine Randell
