To whom it may concern,

I am writing this email as I have tried several times to comment on the City Council website, however was unsuccessful due to it crashing. I am in support of the above premises being extended a later license/ closing time. I feel due other premises along the street being able to close later then Delaneys (whom also sell fabulous food) should be able to as well. I have eaten and had drinks in the premises many times, and the atmosphere is amazing and friendly, it just a shame that it has to close so early.

Many Thanks
