| Hazard | Who could be harmed and how | All controls required | How controls will be checked | Confirmed all in place or further action required |
|--|----------------------------------|---|---|---|
| Risk of exposure to Covid-19 virus - Ventilation | Staff, contractors and attendees | <ul style="list-style-type: none"> There are no longer capacity limits for the Guildhall Chamber. We encourage all attendees to wear a face covering when moving around crowded areas of the Guildhall and the council chamber. The mechanical ventilation system works efficiently and the South Special Rooms Supply and Extract fans are fully operational during times when the Council Chamber is in use. Pedestal fans - positioned in each of the wing areas and along the back wall behind the pillars, maximum speed and modulation setting. | Staff will ensure ventilation system and fans are operational. | In place |
| Risk of transmission of virus - Risk mitigation | Staff, contractors and attendees | <p>The Guildhall has the following measures in place:</p> <ul style="list-style-type: none"> Face Coverings – as per government guidance, we encourage you to continue to wear a face covering whilst in the venue & crowded places especially when walking around the building. Enhanced Sanitisation & Cleaning – we will carry out enhanced cleaning procedures between meetings and we encourage you to sanitise your hands on entry and regularly throughout your visit at the sanitisation points provided. | The Guildhall Trust and PCC Facilities Team to implement and monitor. | In place |
| Risk of transmission of virus - Hygiene and prevention | | <ul style="list-style-type: none"> Updated government guidance from 1 April advises people with a respiratory infection, a high temperature and who feel unwell, to stay at home and avoid contact with other people, until they feel well enough to resume normal activities and they no longer have a high temperature. From 1 April, anyone with a positive COVID-19 test result is being advised to follow this guidance for five days, which is the period when you are most infectious. Although not a legal requirement attendees are strongly encouraged to keep a social distance and take opportunities to prevent the spread of infection by following the 'hands, face, space' and 'catch it, kill it, bin it' advice that also protects us from other winter viruses. Wash hands for 20 seconds using soap and water or hand sanitiser. Maintain good hygiene particularly when entering or leaving. Hand sanitiser and wipes will be located in the meeting room. No refreshments will be provided. Attendees should bring their own water bottles/drinks. All attendees should bring and use their own pens/stationery. Attendees are no longer required to undertake an asymptomatic/ lateral flow test within 48 hours of the meeting however we still encourage attendees to follow the Public Health precautions we have followed over the last two years to protect themselves and others including vaccination and taking a lateral flow test should they wish. It is strongly recommended that attendees should be double vaccinated and have received a booster. | The Guildhall Trust and PCC Facilities Team to implement and monitor. | In place |
| Financial Risk | Staff, contractors and attendees | <ul style="list-style-type: none"> The council meeting may need to be cancelled at short notice if the Covid-19 situation changes due to local outbreaks, local sustained community transmission, or a serious and imminent threat to public health. Technology in place to move to virtual council meeting if required and permitted by legislation. | Financial commitments minimised wherever possible. | In place |
