This will be the first build to rent development to come forward in the city. Whilst the development at Hambrook Street is small at only 17 units it will deliver high quality accommodation and levels of service as a single block management and landlord. This will encourage further development and investment in the City for residential build to rent.

How are you going to measure/check the impact of your proposal?

Periodic engagement with investors and fund managers to assess the investment value against expected industry standards.
Continued discussion and engagement with developers to encourage further investment.
