Cllr Simpson

Are you happy for me to pass this e mail address for you to the Solicitor Jon Wallsgrove so you can arrange that between you rather than I get involved

Morning Derek,

I'm currently sitting in Planning Committee, however, I will be going forward with my objection. I am also open to meeting the applicant and his solicitor to recommend he changes his request from 6am-12am to 10am-11am.

Many thanks

Cllr Russell Simpson

Dear Cllr Simpson

Further to my e mail yesterday supplying you with additional information from the applicant's solicitor, whilst I await your response as to whether you wish this matter to still proceed to a Licensing Sub-Committee hearing or whether you are happy to withdraw your representation, It is necessary for me to cover all eventualities.

Additionally we have to work to set Hearing Regulations and notification times.

Democratic Services officers are currently securing 4 councillors (1 x reserve) to determine this application should that be necessary, and the Council Chambers have been reserved.

This application, unless I hear otherwise from you, will be determined at a Licensing Sub-Committee hearing on Tuesday 20th September 2022 in the Council Chambers at the Guildhall.

Please see attached 'Notice of Hearing'.

In preparation for this hearing, please complete part 3 of the attached 'Notice of Hearing' and return to the address shown (or e mail direct to me) indicating whether you will be attending this hearing or not in order to address the panel with the concerns you have raised.

Kind regards

Derek
