Title of meeting:	Health, Wellbeing and Social Care
Subject:	Public Health Annual Report
Date of meeting:	27 th September 2022
Report by:	Matthew Gummerson, Head of Strategic Intelligence and Research
Wards affected:	All

1. Requested by Director of Public Health

2. Purpose

2.1 To note that the Director of Public Health is publishing her statutory Annual Report 2021/22, attached as Appendix B and available on the [JSNA page](#) of the PCC website. This year's report provides a Joint Strategic Needs Assessment Annual Summary for Portsmouth.

3. Information Requested

3.1 The Public Health Annual Report 2021/22 sets out the key demographic and health characteristics of Portsmouth. It also provides a baseline position to inform our recovery plans as we move out of acute phase of the pandemic and begin 'Living With Covid'.

3.2 An Executive Summary highlighting key data about health needs in the city is being produced to provide an accessible overview for wider audiences which will be presented at the Health and Wellbeing Board on 21st September. The draft is attached at Appendix A and the final version will be published alongside the full report.

3.3 The full report at Appendix B provides detailed data and analysis of the population of Portsmouth and their health needs. This in effect acts as a summary of the city's Joint Strategic Needs Assessment, and will be used by a range of stakeholders to inform strategies and service delivery. The report is underpinned by further analysis of specific topics that are available on request from the Public Health Intelligence team or by emailing jsna@portsmouthcc.gov.uk. Collectively this set of materials comprises the JSNA.

THIS ITEM IS FOR INFORMATION ONLY

(Please note that "Information Only" reports do not require Integrated Impact Assessments, Legal or Finance Comments as no decision is being taken)

3.4 Work is ongoing to make more of the JSNA material available and accessible via the PCC website. The first stage of this will shortly be completed with a new Demography page that includes a detailed, interactive data dashboard. Additional sections will be produced in a similar format over the rest of the year, as capacity allows.

.....
Signed by (Director)

Helen Atkinson, Director of Public Health

Appendices:

Appendix A - Public Health Annual Report 2021/22 Executive Summary [draft]

Appendix B - Public Health Annual Report 2021/22 Full Report
