

## APPENDIX C

Sabah Suleiman

Flat 1/ Howard Lodge, Clarendon Road, Southsea

To the licencing department,

I wish to raise objection about Sherlock's Bar who want to increase their open hours to 1am in the morning on Friday and Saturday nights.

My flat is directly opposite the bar and the noise already affects me very badly – I cannot sleep due to the music and most of all the customers who sit outside and are drunk and shouting and I cannot open my windows or use my balcony either at night.

I do not think this type of bar should be in this area, which is made up of people's homes. This bar should be in Palmerston Road, not where it is now. No other restaurants nearby are a problem, it is just the Sherlock's Bar. They do not seem to have any idea about how their bar makes me feel & I haven't known how to complain about them before now.

Thanks for the chance to say something about this.
