7	Paulsgrove	<p><b>CIL Bid - Beverston Road and Bromyard Crescent Proposed One-Ways</b></p> <p><b>Content:</b> Funding has been identified through the Community Infrastructure Levy (CIL) to undertake and deliver potential one-way roads within Beverston Road and Bromyard Crescent, Paulsgrove.</p> <p>The consultation ended on Friday 25th March 2022. There was a low rate of returns from residents within the area with approximately 29% responding to the Beverston Road Consultation (from 68 consultation letters) and 22% responding to the Bromyard Crescent consultation (from 75 consultation letters).</p> <p>From the returns received there is strong support for the introduction of a one-way system within Beverston Road. There were some concerns raised by users of the paddocks about the increased distance, journey time and access from the road to these facilities. These concerns will need to be reviewed as when this scheme proceeds to detailed design.</p> <p>Bromyard Crescent has a strong split between the proposals and, although the one-way scheme has received the majority of votes from those that have participated, it only exceeds the no change option by two votes.</p> <p>Following notification of the results to the Ward Councillors and their unanimous agreement that a one-way system on both roads should proceed, it is proposed that, following the consultation returns;</p> <ul style="list-style-type: none"> <li>• Beverston Road one-way is implemented in a southbound direction from its junction with Hillsley Road to its junction with Deerhurst Crescent;</li> <li>• Bromyard Crescent one-way is implemented in a north-eastern direction from its junction with Credenhill Road to the junction with Ludlow Road.</li> </ul>	<p>Tracey Shepherd Safer Travel Team Tel: 023 9284 1312</p>
