Subject: Alcohol Licence at Danny Mart
Date: 10 October 2022 11:38:01

Dear sir/ madam

As a regular customer of Danny Mart Off Licence/ convenience store, I strongly urge you to resist revoking their Alcohol Licence. I have no problems or have I experienced any problems with Danny Mart selling Alcohol, and I am a regular customer who frequently buys alcohol on a regular basis from Danny Mart as they are conveniently situated to where I live as I can walk there instead of using my car to pollute the air by driving to Tesco in Cosham.

I for one would be very angry with my local councillors if the council does revoke their licence, it will mean for a lot of people in the Paulsgrove/Wymering area reverted back to using their cars to drive elsewhere

Yours sincerely
