Date of meeting:	25 January 2023
Subject:	Consideration of the political balance rules in relation to the constitution of Sub-Committees considering complaints against Members.

Key decision:	No
Full Council decision:	No

1 Purpose of Report

The Committee is asked to consider whether it wishes to continue to disapply the political balance rules in respect of its Sub-Committees which consider complaints against Members and to agree that the same rule shall apply to the Initial Filtering Panel.

2 Recommendation

It is recommended that the political balance rules are disapplied in respect of Governance and Audit and Standards Sub-Committees which are considering complaints against Members and also the same arrangement should apply in respect of Initial Filtering Panel membership.

3 Background

- 3.1 The Committee agreed on 25 September 2020 to "disapply" the political balance rules in respect of Sub-Committees of Governance and Audit and Standards Sub-Committees when dealing with complaints. This meant the Sub-Committees' membership would in future not be made up of Members in the same proportion as the political groups are represented on the Council. Instead it was agreed that the Sub-Committees would be "cross party as far as reasonably practicable". This was considered important to ensure the greatest transparency in the decision making of these Sub-Committees where complaints against members were considered. It was also agreed that the same rule would apply to the make-up of the Initial Filtering Panel which is not a formal Sub-Committee of Governance and Audit and Standards.
- 3.2 Section 17 (2) Local Government and Housing Act 1989¹ provides that any decision not to apply the political balance rules shall come to an end if there is any change in the make-up of a committee where they have been disapplied.

3.3 The decision is one which only this Committee can make but it must be made without any of the Members present voting against it.

4 Reasons for recommendations

As there has been a change this municipal year in the political make-up of the Council, Members are asked to reconsider this decision, as the decision to disapply the political balance rules, made on 20 July 2022. If Members decide to disapply the political balance rules then this apply for the remainder of the municipal year, or until there is any change in the make-up of a committee where they have been disapplied.

5 Integrated Impact Assessment

An integrated impact assessment is not required as the recommendations do not directly impact on service or policy delivery. Any changes made arising from this report would be subject to assessment in their own right.

6 Legal implications

The City Solicitor's comments are included in this report.

7 Director of Finance's comments

There are no financial implications arising from the recommendations set out in this report.
