

**PORTSMOUTH TRAVEL ASSISTANCE
STATEMENT FOR POST 16 LEARNERS WITH
SPECIAL EDUCATIONAL NEEDS AND
DISABILITIES**

February 2023

Section one: Introduction

1. Portsmouth City Council and its partners have written this Transport Statement to ensure that young people aged 16-19 in Portsmouth are informed and supported with regard to the transport that is available to them to help them access their learning.
2. This statement has been written in accordance with Section 509 of the Education Act 1996 (amended by 2002 Act) and amendments made to the 1996 Act by the Apprenticeships, Skills, Children and Learning Act 2009 (Sections 54 and 57). This policy statement gives consideration to the Department for Education, Post 16 Transport to Education and Training October 2017 statutory guidance for local authorities.
3. There is no statutory entitlement to transport for young people attending Post 16 education (even for young people who had an entitlement when at school) but young people or their parent/carer can apply to be considered for a discretionary award of transport if they have an Education Health and Care Plan.
4. This document provides information about the range of concessionary fares, discounts, subsidies, passes or travel cards available for young people aged 16-19 studying in or close to Portsmouth, and who provides them. It also sets out how Portsmouth City Council will assist with travel expenses for some Post-16 students with an Education Health and Care Plan where there is evidence of Exceptional Circumstances.
5. For information about Portsmouth's travel assistance policy for children of statutory school aged i.e. aged 5-16 see the separate "Portsmouth Travel Assistance Policy for Children of Statutory School Age (5-16)".
6. Support is not normally available for students aged 19 or over to start a new¹ course. To request an additional assessment to be made to establish why it is necessary for the Local Authority, and not the student or the student's family, to make the travel arrangements contact the adult social care helpline on 023 9268 0810 or by email on ASCoppdAdmin@portsmouthcc.gov.uk.

¹ Our definition of a new course is one where the named qualification, learning aims, outcomes, unit/course code or title of the course differ to the previous year. For example an 'A' level in maths delivered over 2 years with the qualification being awarded only at the end of the completion of the second year, is considered a continuing course.

Where a student follows a programme of study such as a Level 1 course the first year, and progresses on to the Level 2, the next, or completes a series of courses where the outcomes differ each year and there is no requirement to progress to the second or further years to successfully complete each year, this is NOT considered a continuing course.

7. Portsmouth will not consider assistance with travel to fee paying schools or colleges, unless the school has been named in a pupil's Education Health and Care Plan (EHCP) or is the nearest school considered by Portsmouth City Council's SEN team as able to meet the needs of the pupil.
8. The statement applies to young people residing in the Portsmouth City area (Post codes PO1 - PO6). Learners not resident within the post code area should refer to the transport policy issued by their own Local Authority. Where a young person lives at more than one address they will be assessed using the address of their main home. Where time is split equally between two addresses, the address of the parent in receipt of child benefit will be used.
9. The statement covers the period 31 May 2023 to 30 May 2023.

Section Two: Eligibility for Travel Assistance

10. There is no statutory entitlement to travel assistance for post 16 learners. Travel assistance is provided only for post 16 learners with Special Educational Needs and Disabilities and who have an Education and Health Care Plan who also meet the Exceptional Circumstances Criteria (see paras 13-20 below). Travel assistance is not the provision of arranged transport free of charge, there is a contribution to the cost of any arranged transport.
11. Discounts and concessionary fares may be available to learners through individual education and training providers. Details of their scheme are given at Appendix A, along with contact details to receive the most up to date information.
12. When a course of study is agreed with a learning provider it may be possible to apply for support with travel as set out in Pages 10-13. Please check the travel assistance available with your individual education provider before an application for transport assistance is made to Portsmouth City Council.

Travel Assistance Provided under Exceptional Circumstances Criteria

13. Post 16 students with an Education, Health and Care Plan (EHCP) may be eligible for help under the Exceptional Circumstances Criteria (ECC). Portsmouth City Council recognises the difference that travel assistance can make to the lives of some vulnerable children and young people. However, the funding available for such support is limited and under continued pressure, so the ECC aims to ensure that transport assistance is allocated to those most in need.
14. All applications for non-statutory transport assistance will be assessed using the Student Eligibility Grid, a copy of which is attached at Appendix B.
15. Every application for home to school/college transport will be considered on an individual basis and points will be awarded in accordance with the Student Eligibility Grid. Where a need is considered to be high (70+ points) transport will be offered subject to the relevant contribution. Where points are less than 70, transport will be declined. Where an applicant wishes to appeal against the decision, a letter outlining the reasons can be sent to the Access and Entitlement Officer as outlined in the appeals process at Appendix C.

16. A contribution towards the cost of providing transport for Post-16 students will be payable for each young person travelling. Parent/carers who do not meet the criteria for low income will have to make a contribution of £600.00 per annum, payable in 3 termly instalments of £200.00, in advance.
17. Parents/carers, who meet the criteria for low income, will have to make a financial contribution of £495.00 per annum payable in 3 termly instalments of £165.00, in advance. Families receiving travel assistance through a Personal Budget (see paragraphs X-Y) are not required to make a financial contribution. (this is a change to our policy, currently we deduct the contribution from the total personal budget)
18. Parent/carers who receive any of the following benefits are considered to meet the criteria for low income:
- Income Support
 - Income based Job Seekers Allowance
 - Income based Employment and Support Allowance
 - Support under part VI of the Immigration and Asylum Act 1999
 - Maximum level of Working Tax Credit
 - Universal Credit - your household income must be less than £7,400 a year (after tax and not including any benefits you get)
19. Young people who receive any of these benefits in their own right will also be considered to be from a low income family.
20. To apply for travel assistance please complete an application form on the Portsmouth SEN Local Offer website
<https://portsmouthlocaloffer.org/services/701/>.

Privilege Places

21. Parents of children with an EHCP who do not meet the Exceptional Circumstances Criteria may apply for a Privilege Place. If a pupil is successful in being awarded a Privilege Place then they are transported on a Home to School vehicle suitable for their needs and picked up/set down at a central point up to one mile from the home address. Privilege Places are available only where there is spare capacity in a vehicle used by children who meet the Statutory Criteria or Exceptional Circumstances Criteria. Decisions on the allocation of any Privilege Places will be taken based on the pupil's special needs and any impact on the other pupils travelling.
22. Applications for Privilege Places are made on an annual basis. The decision about the allocation of Privilege Places is made after the travel assistance for all pupils meeting the Statutory Criteria and Exceptional Circumstances Criteria has been agreed, and therefore may be notified close to the start of the relevant term. The place may be withdrawn with 10 days' notice at any time, if it is needed by a child meeting the Statutory or Exceptional Circumstances Criteria, or where routes are changed or re-tendered, or where the number of children on a route

needs to be reduced, for example due to coronavirus.

23. The price of a privilege seat is currently² £900.00 payable in 3 termly instalments of £300, paid in advance.

24. To request travel assistance via a Privilege Place email htstransport@portsmouthcc.gov.uk.

Section Three: The Travel Assistance Offer

25. Travel assistance will only be provided at the beginning and end of the school/ college day, and only on the days that the young person is required to be in school/ college.

26. Travel assistance will be provided in a safe and cost effective manner, taking account of the young person's specific needs, and with regard to the best use of the Council's resources. The main transport arrangements are:

27. **Bus or Rail Pass** - This is a free pass for use on public transport and is generally provided for children and young people who meet the Statutory Criteria under the "walking distances" and "extended rights" eligibility criteria.

28. **Transport Vehicles** - Vehicles and drivers are provided by a suitable qualified registered commercial provider working to contractual standards set out by Portsmouth City Council. A Passenger Assistant (escort) will not usually be provided for a young person in Post 16 provision unless there are exceptional circumstances supported by the school/college or appropriate professional and agreed by the local authority.

29. Young people are often picked up and set down at a central point (up to one mile from the home address) rather than at their home address. Parents/carers are responsible for the safety of their child until they board and after they exit the vehicle. Where there is evidence that a parent/carer is failing to meet their child on a regular basis a review of entitlement to transport will be made.

30. Where the distance between a pick-up or drop-off point and home or school/ college is less than one mile the City Council will not normally provide transport for that part of the journey. Requests for transport to be provided for a home to pick-up point of less than one mile will be considered on an individual basis and will be dependent upon the medical needs of the pupil and or parent/carer and should be supported by appropriate medical evidence.

31. Transport will be arranged so as to be non-stressful. Best practice indicates that the maximum journey time should be no longer than 75 minutes for secondary aged pupils and above. However consideration should be given to traffic conditions within the city. Exceptions may apply for operational reasons, although individual needs will be assessed. Longer journey may be necessary for pupils attending special education needs schools and colleges outside of Portsmouth.

² Price correct for 2023/24 school year.

32. **Personal Budget Transport** - Pupils with an Education Health and Care Plan who are eligible for travel assistance can request a personal transport budget. For more information email htstransport@portsmouthcc.gov.uk.
33. The Personal Budget is paid into the parent/carer's designated bank account on a monthly basis. It can be used however the parent chooses, as long as the young person gets to and from school on time and in a way than ensures their safety, encourages their attendance and does not negatively affect their ability to learn once they are at school/college. Examples of how Personal Transport Budgets include:
- a. Buying a travel pass for a parent or a trusted adult to accompany the young person to and from school.
 - b. Covering the costs of driving or cycling with the young person to school/college.
 - c. Sharing the costs of the school/college run with another parent such as shared driving responsibilities, walking buses or joint taxi bookings.
34. The amount of the Personal Budget, including elements of mileage, will be paid at a rate determined by the local authority at the time. More details can be found in Portsmouth City Council's Local Offer. (<https://portsmouthlocaloffer.org/documents/personal-transport-budgets/>).
35. **Access to Independent Travel Training** - Travel training supports children, young people and adults to get more out of life through learning the skills and building confidence to use public transport safely. Independent Travel Training is currently provided through some courses offered at Havant and South Downs College and City of Portsmouth College.

Should this still be included?

Section Four: Additional Important Information

36. **Change of Address** Parents should notify Portsmouth City Council of any change of address giving as much prior notice as possible but a minimum of 10 working days. Students who change their home address will have their eligibility re-assessed based on the new address. Where a student has been entitled to a bus pass the old bus pass must be returned to the Access & Entitlement Officer before a new bus pass can be issued.
37. **Unacceptable Behaviour** Where a young person is unable to travel safely to school/college, including where the young person's behaviour is such that it may threaten the safety of others, the council reserves the right to suspend transport support for up to two weeks. Parents would normally have been contacted by the transport team, including through a formal warning letter from the Integrated Transport Unit, before such a suspension is made. Should a suspension be considered necessary the parents/carers will be responsible for transporting their young person to school during this period. Transport will then be re-instated.
38. Where there are ongoing issues an officer of the Local Authority will discuss with parents/carers the possible withdrawal of transport and the alternative arrangements which may need to be made, which might include the offer of a public bus pass or personal budget.

39. **Attendance:** Where attendance at school/college is irregular the Local Authority has the right to review transport assistance and withdraw it if attendance remains unacceptable.
40. **Armed Forces Covenant** Portsmouth City Council has signed up to the Armed Forces Covenant. Portsmouth City Council will therefore ensure that the needs of members of the armed services are considered in line with the terms of the covenant when application for transport using the exceptional circumstances criteria are assessed.
41. **Health and Safety** Health and safety information provided by parents/carers and head teachers/ college principal is gathered as part of the application process. This is then assessed and relevant information will be provided to passenger assistants.
42. **Appeals:** Parents/carers have the right to appeal the decisions made by Portsmouth City Council officers when assessing Travel Assistance for Post 16 Learners. The appeals process is outlined in the Home to School Travel Appeal process detailed in Appendix C.
43. **Assessment Errors:** Where assistance is found to have been granted in error, notice of four weeks will normally be given that travel will be withdrawn to allow families to make other arrangements.
44. Where entitlement has been denied in error transport will be arranged as soon as possible and consideration will be given to reimbursing parents/carers retrospectively, with a time limit of the start of the academic year in which the error was discovered.
45. **Lost and Stolen Bus Passes** Where a bus pass is lost there will be an administration charge made by the bus company to the parents/carers for a replacement. Stolen bus passes will not incur an administration charge if evidence in the form of a police crime number is provided.
46. **Complaints** Portsmouth City Council takes complaints seriously and if needed the complaints procedure can be found at Portsmouth City Council www.portsmouth.gov.uk. In the first instance complaints should be put in writing to:
