

Form name	Integrated Impact Assessment
Reference	IA499393201
Date	21/03/2023

Policy details

Request date	21/03/2023 13:42
Directorate	Adult Services
Service	Adult Social Care
Title of policy, service, function	Application for Community Infrastructure Levy Funding
Type of policy, service, function	Existing
What is the aim of your policy, service, function, project or strategy?	Delivering essential public infrastructure
Has any consultation been undertaken for this proposal?	no

Equality & diversity - will it have any positive/negative impacts on the protected characteristics?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Crime - Will it make our city safer?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Housing - will it provide good quality homes?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Health - will this help promote healthy, safe and independent living?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	The Emergency Department (ED) capital project is the physical expression of the Building Better Emergency Care Programme, the aim of which is to improve the emergency care patient pathways at Portsmouth Hospitals University Trust, (PHU). The scope of the Emergency Department capital project is to deliver a modern up to date clinical environment that provides appropriately sized and configured accommodation to support the implementation of a new clinical model, ensuring best value for money and an ability to meet national, regional and local targets for the delivery of emergency care at the QAH.
How are you going to measure/check the impact of your proposal?	The ED is scheduled to open in November 2024, it's impact will be measured through NHS established performance mechanisms.

Income deprivation and poverty - will it consider income deprivation and reduce poverty?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Carbon emissions - will it reduce carbon emissions?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Energy use - will it reduce energy use?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Natural environment - will it ensure public spaces are greener, more sustainable and well-maintained?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Air quality - will it improve air quality?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Transport - will it make transport more sustainable and safer for the whole community?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Waste management - will it increase recycling and reduce the production of waste?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
---	-------------------------------------

Culture and heritage - will it promote, protect and enhance our culture and heritage?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
---	-------------------------------------

Employment and opportunities - will it promote the development of a skilled workforce?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	Whilst there are no current written plans, PHU is an anchor institution in the city and a major employer. Provision of essential health infrastructure requires a skilled workforce to serve the residents of the city.
How are you going to measure/check the impact of your proposal?	Regular employment of staff into the NHS locally.

Economy - will it encourage businesses to invest in the city, support sustainable growth and regeneration?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
---	-------------------------------------

Social value

<p>Please explain how your policy, service, function, project or strategy delivers Social Value</p>	<p>The provision of equipment in the ED enables value to the people of the city seeking emergency care.</p>
