Council Agenda Item 9 (Cabinet minute No. 47)

Queen Alexandra (QA) Hospital Emergency Department Support

RECOMMENDED that Full Council approve the recommendations contained within the report, namely:-

- (i) The granting of £436,893.68 from Community Infrastructure Funding to Portsmouth Hospitals University NHS Trust for the provision of infrastructure in accordance with the Community Infrastructure Levy Regulations 2010 (as amended) ("CIL Regs") to be funded from Capital Infrastructure CIL; and
- (ii) To write to Portsmouth Hospitals University Trust to confirm that CIL is part of the expected infrastructure costs of any significant project/development and is a levy to compensate for the full range of additional public infrastructure requirements that will arise from developments and will fall to the Council. The part of the NHS responsible for resourcing any future funding allocation for major projects locally, should therefore include any future CIL contribution as part of the budget it provides for the project.
