### OPERATING SCHEDULE

When do you want the premises licence to start?  /  /   
dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end  /  /   
dd mm yyyy

Provide a general description of the premises  
For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The Hideaway is focused on being a community-based premises, offering a safe space for people to come and connect with others, whether for a coffee and cake, or for a weekly support group. It will bring new job opportunities to the local population, but also boost the local economy and help with the regeneration of the Highland Road area.

The premises will be run under Class E as a cafe and restaurant, with additional services being available in separate private

*Continued from previous page...*

rooms (the premises is three shops merged into one) such as dog grooming, photography and exercise/community-based classes. The cafe will start with daytime hours from 07:00 to help provide a pre-work/school local service. With consideration for the neighbours, alcohol sales will stop 15-30 minutes before closing, to allow for enough time for customers to finish their drink and exit the premises in an orderly manner.

Food and beverage provision will be within the main dining area inside, as well as the outdoor private patio seating area only during sociable hours, to minimise any noise disturbance). Activities will only be available while the premises is open during licensable hours. Extended opening hours for special events such as Bank Holiday weekends, Christmas Eve and Day, New Years Eve, and private hire, may occur as stated in the operating schedule later in this application.

Licensable activities include the sale of alcohol by retail and regulated entertainment. Prevention of crime and disorder will be monitored primarily through the use of CCTV which will be used in all communal areas. The use of CCTV, external appropriate lighting, frequent collection of glasses at dinner tables, outside noise kept to a minimum, and a Challenge 25 policy, will all help to ensure the licensing objectives are being met. Any drinks taken away from the premises will only be given in paper/cardboard cups, and this would only be for certain events (for example a restaurant/bar down Palmerston Road offering takeaway cocktails/pints during Victorious weekend). All staff will be trained on the licensing objectives and regular, recorded training will be undertaken to improve understanding and implementation of these. Further details on how the licensing objectives will be met are within the operational schedule.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

### **LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

---

The Hideaway will operate to a high standard, and will obey all licensing objectives. All staff will be frequently trained with regard to their responsibility of the sale of alcohol, and to ensure they abide by the below objectives. The licensing activities will all stop at least 30 minutes before the premises shuts, to keep noise to a minimum and allow customers to finish their drinks and leave in a quiet and orderly manner.

---

b) The prevention of crime and disorder

---

The security of the building, staff, stock and customers will all be considered to prevent crime and disorder. Any incidents of criminal nature will be reported to the police. Comprehensive CCTV will be installed, operated and maintained at the premises. CCTV will be used in communal areas, at the entrance and exit both inside and outside, at till areas, overlooking the main cafe/restaurant dining floor area and covering all licensable areas. The recording system will capture a minimum of 4 frames per second and all recorded footage will be securely retained for a minimum of 31 days on a password protected system. Records will be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained. CCTV will provide a linked record of the date, time and place of any image. A separate monitor will be used to review the images and recorded picture, with trained staff on site during opening hours. Signage will be displayed to alert customers to the use of CCTV in operation. Police will have access to the images at any reasonable time and can export when required. Should the CCTV equipment break, the designated premises supervisor will inform the Licensing Authority and the Police as soon as is reasonably practicable. The authority and the police will also then be informed when the CCTV faults are rectified.

An incident record book will be kept and maintained at the premises of all refused alcohol sales and will be made available to the Police and any relevant officer on request. Any irresponsible drinks promotions will not be permitted. Training will be given to all staff on the licensing objectives, sale of alcohol, Challenge 25, acceptable forms of identification, signs of drunkenness and the refusal register.

---

c) Public safety

---

Will use external lighting where possible (that does not affect nearby residents). Crowds will be controlled and door supervisors will be used for late night events, such as New Years Eve. CCTV will be implemented in communal areas. Fire safety procedures will be used and appropriate fire equipment will be placed, such as fire extinguishers and blankets, internally illuminated fire exit signs, smoke detectors, and lighting. All fire equipment/appliances will be inspected annually and all emergency exits will be kept free from obstruction at all times. Adequate first aid equipment will be available on the premises. The premises will comply with all food safety regulations and will be accessible for those with disabilities where possible, for example the disabled customer paying the waiter at the table rather than queuing up at the till. Free drinking water will be provided during opening hours. 'No smoking' signs will be displayed clearly in the premises.

---

d) The prevention of public nuisance

---

The prevention of public nuisance will use measures to avoid complaints, particularly from noise, lights and smells. Noise

---

---

*Continued from previous page...*

education measures will be implemented to minimise disturbance. Windows and doors will be kept closed during regulated entertainment. Notices will be placed to remind customers to leave quietly and have regard for neighbours. Rubbish bins will be kept at the rear of the premises, away from general public access. Any disposal of empty glass bottles will not be permitted between 23:00-07:00 to minimise disturbance to nearby residents. Customers will not park their cars over any residents driveways or block the main road.

---

e) The protection of children from harm

Children will be protected from physical and psychological harm by protecting them from any use of strong language, violence, alcohol and drugs, adult entertainment, sexual expletives and gambling. Regular training will be given to all staff, and will include the age verification procedure relating to age restricted sales, prevention of children acquiring or consuming, how to recognise indicators of child sexual exploitation, and how to report any suspicious activities or concerns about possible perpetrators of child sexual exploitation to the appropriate authorities. Challenge 25 policy will be implemented, with prominent signs being displayed, and all staff will be trained in checking customer's ages by only accepting valid identification, such as photographic driving licence, passport, or official identity card issued by HM Forces, displaying the photograph and date of birth. If the customer is unable to provide a valid ID, then no sale will be made - No ID, No Sale. If any member of staff is under the age of 18, then a senior staff member will be called to authorise the sale where possible, and a written letter from the designated premises supervisor will be displayed.

Should any late night events take place, there will be control over admission of children with the use of door supervisors. A refusal book/register of refused sales will be kept and maintained on the premises and will be used to log anyone who has been refused alcohol.

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
