

Form name	Integrated Impact Assessment
Reference	IA544287466
Date	04/09/2023

Policy details

Request date	04/09/2023 12:07
Directorate	PCC Culture Leisure and Regulatory Services
Service	Museums
Title of policy, service, function	Arts and Humanities Research Council Collaborative Doctoral Partnerships
Type of policy, service, function	New
What is the aim of your policy, service, function, project or strategy?	The aim of the collaborative doctoral partnerships programmes is to offer fully-funded studentships for students to work with the city's collections, heritage and culture in partnership with Higher Education Institutions.
Has any consultation been undertaken for this proposal?	no

Equality & diversity - will it have any positive/negative impacts on the protected characteristics?

With the above in mind and following data analysis, who is the policy, service, function, project or strategy going to benefit or have a detrimental effect on and how?	The projects will focus on widening access to Portsmouth historic collections, stories, heritage and culture. Whilst the projects that we submit to the AHRC will be co-developed by PCC staff and academics, we will give a high priority to projects that can demonstrate that they would address social and economic issues.
--	---

<p>Will any of those groups be affected in a different way to others because of your policy, project, service, function, or strategy?</p>	<p>At this stage of the project we have not confirmed which research projects we will be submitting to the AHRC.</p>
<p>If you are directly or indirectly discriminating, how are you going to mitigate the negative impact?</p>	<p>As part of our application to the Arts and Humanities Research Council we worked with the University of Portsmouth to develop and EDI action plan.</p>
<p>Who have you consulted with or are planning to consult with and what was/will be your consultation methodology?</p>	<p>We have worked extensively with the University of Portsmouth to develop our EDI Action Plan. We will also invite a community representative to site on our selection panel for choosing research projects that we will submit to the AHRC.</p>
<p>How are you going to review the policy, service, project or strategy, how often and who will be responsible?</p>	<p>An annual report will be brought to the Cabinet Member for Culture, Leisure and Economic Development, which will include equalities. We also need to report to the AHRC annually on our EDI plan. The project will be managed by the Head of Museums.</p>

Crime - Will it make our city safer?

<p>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</p>	<p>At this stage we have not confirmed which research projects will be submitted to the AHRC.</p>
<p>How are you going to measure/check the impact of your proposal?</p>	<p>The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.</p>

Housing - will it provide good quality homes?

<p>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</p>	<p>At this stage we have not confirmed which research projects will be submitted to the AHRC.</p>
<p>How are you going to measure/check the impact of your proposal?</p>	<p>The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.</p>

Health - will this help promote healthy, safe and independent living?

<p>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</p>	<p>At this stage we have not confirmed which research projects will be submitted to the AHRC. We have indicated that we are looking for projects that can demonstrate health and wellbeing impacts.</p>
<p>How are you going to measure/check the impact of your proposal?</p>	<p>The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.</p>

Income deprivation and poverty - will it consider income deprivation and reduce poverty?

<p>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</p>	<p>At this stage we have not confirmed which research projects will be submitted to the AHRC. We have indicated that priority will be given to projects which can demonstrate impact on socio-economic issues.</p>
<p>How are you going to measure/check the impact of your proposal?</p>	<p>The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.</p>

Carbon emissions - will it reduce carbon emissions?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC. Scientific subjects are outside the remit of the Arts and Humanities Research Council, although projects may include a scientific element.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Energy use - will it reduce energy use?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Climate change mitigation and flooding - will it proactively mitigate against a changing climate and flooding?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC. Scientific subjects are outside the remit of the Arts and Humanities Research Council, although projects may include a scientific element.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Natural environment - will it ensure public spaces are greener, more sustainable and well-maintained?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Air quality - will it improve air quality?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC. Scientific subjects are outside the remit of the Arts and Humanities Research Council, although projects may include a scientific element.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Transport - will it make transport more sustainable and safer for the whole community?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC. Transport is outside the remit of the Arts and Humanities Research Council, although projects may include non-Arts and Humanities elements.
--	--

How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.
--	---

Waste management - will it increase recycling and reduce the production of waste?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	At this stage we have not confirmed which research projects will be submitted to the AHRC. Waste is outside the remit of the Arts and Humanities Research Council, although projects may include non-Arts and Humanities elements.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Culture and heritage - will it promote, protect and enhance our culture and heritage?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?	We anticipate that the research projects will widen access and awareness to Portsmouth's historic collections, stories, heritage and culture. They will raise the profile of the city's heritage and culture with sector bodies and stakeholders.
How are you going to measure/check the impact of your proposal?	The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.

Employment and opportunities - will it promote the development of a skilled workforce?

<p>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</p>	<p>The project will result in nine fully funded PhD studentships. Whilst funding guidelines mean that we cannot prioritise awarding studentships to local people, we will work with the University of Portsmouth to consider ways of improving awareness and addressing barriers for local people. The students will be encouraged to work with local schools to develop awareness of research and study, particularly in areas with lower progression to Higher Education.</p>
<p>How are you going to measure/check the impact of your proposal?</p>	<p>The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.</p>

Economy - will it encourage businesses to invest in the city, support sustainable growth and regeneration?

<p>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</p>	<p>Heritage and Culture are key industries in the city. Whilst we cannot confirm which projects will be selected, we anticipate that many will have tangible outputs for the city's heritage and culture sectors.</p>
<p>How are you going to measure/check the impact of your proposal?</p>	<p>The project manager will take an annual report to the Cabinet Member for Culture, Leisure and Economic Development.</p>

Social value

<p>Please explain how your policy, service, function, project or strategy delivers Social Value</p>	<p>We indicated in our bid to the AHRC that we would prioritise research project proposals that indicate ways of addressing Portsmouth's social and economic challenges and deliver health and wellbeing benefits for residents and communities.</p>
