## Health - will this help promote healthy, safe and independent living?

<b>Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?</b>	This proposal will assist the more vulnerable in being able to go out in a vehicle, knowing that when they return they will be able to park closer to their home. Blue Badge holders who do not have off-street parking available to them, often find that they cannot park closer to their home and feel that they cannot go out as they are unable to walk the distance home from where they have to park. The installation of disabled bays for blue badge holders helps to improve their mental health/quality of life by giving them confidence to go out and about knowing they will be able to park close to home when they return.
<b>How are you going to measure/check the impact of your proposal?</b>	Consider any feedback from blue badge holders or other residents.
