Hi Derek,

I hope you are well.

Thank you for the emails and all the information.

We would still like to go ahead with the application.

Just to update you, we have taken over the lease for the flat above the bar as it became available and we have had a comprehensive report made on sound insulation and noise levels. We are just awaiting the actual report.

We look forward to being able to discuss the above along with any concerns anyone may have at the hearing.

Kindest regards
Andrew
