Subject: Hive Bar disruption at Richmond Terrace

[You don't often get email from mojgan [REDACTED]. Learn why this is important at [REDACTED]

Dear sir / madam

This is Mojgan from Richmond Terrace and I am writing to you regarding The Hive Bar. This place is already opened until late at night which has caused a huge disturbance of noise levels, keeping us awake during the night. Additionally, the people from these bars have purchased food from pizza gogo and have then left litter across our street. By extending their license, this will cause more disruption for us, so we kindly ask for you to prevent these extended hours at night.

Many thanks,
Mojgan
