Subject: Objection to proposed variation of premises licence

Ref: Application by Mr Hakem Arabbetou to the Licensing Authority of Portsmouth CC for the variation of the premises licence at :  
29 Marmion Road, Southsea, PO5 2AT

Dear Sir/ Madam ,

With regards to the above mentioned proposal, I strongly object to this as I feel it would be detrimental to not only mine but, other residents of Climaur Court where I live . Noise travels quite easily and as I live more or less above the restaurant at Flat 4 ,I feel that the noise being omitted by the new proposal would deeply affect my quality of sleep as the entrance is more or less underneath my bedroom window. Having music playing , people standing outside having a smoke would definitely not be done in silence . I work 12 hour shifts and trying to operate machines whilst being deprived of sleep could be quite dangerous and therefore ask you to take not only mine ,but other local residents'well-being into consideration before agreeing to this proposal.

Yours sincerely

Adrian Broadhead  
Flat 4,  
Climaur Court ,  
Southsea  
PO5 2DX
