

APPENDIX 2 - FEEDBACK FROM THE 2023 FESTIVAL

Comment from Angela Parks to the Leader 11.09.2023:

"The festival engaged with a huge number of staff across the council from tourism to licensing, from housing to planning, from leisure to people with access to CIL/other funding and many more beyond. From junior to senior we received huge amounts of support and advice without which we would not have been able to pull off the event. I don't know the right route to feed this back so please either signpost me or pass on my huge thanks across the board. Having worked in many areas I can say that I've never had such fantastic support from a Council to deliver a project like this."

Quotations from Central Street residents used in October 2023 'House Talk':

"it's so good to see some colour, the place has been so drab" (interested residents)

"You can see all this from your bedroom! It's your art now and look, there's a lady painting" (mum to her daughter)

Extract from an e-mail sent by Angela Parks, Look Up Portsmouth project manager to the PCC team on 28th November 2023:

'Thank you all for your support for LOOKUP Portsmouth. My favourite part of the whole event was the reception we received in Central Street where residents offered artists ice lollies, use of their loo and parking permits. We also had some great feedback about how the residents were inspired by the artwork and seeing female artists at work.'
