--	-------------------------------------

Economy - will it encourage businesses to invest in the city, support sustainable growth and regeneration?

This section is not applicable to my policy	<input checked="" type="checkbox"/>
--	-------------------------------------

Social value

Please explain how your policy, service, function, project or strategy delivers Social Value	The proposed revisions will have the potential to give a wider area of beach space for families with dogs. Currently families with children and dogs are restricted to a remote section of beach lacking in services compared to the main section of beach. A new boundary will allow families with children and dogs a greater opportunity to access open space in proximity to toilets, showers, and F&B outlets.
