

PUPIL PREMIUM IN CORPUS CHRISTI 2014-2015

In Corpus Christi there are 316 children on roll and of these, 59 are eligible for PPG. The amount of PPG received for 2014-2015 was £73,800.

We have found that boosting in small groups and targeted interventions by experienced and specialist teachers the most effective use of the PPG.

This may be part time teachers covering a class so that the senior teacher can be released, a writing specialist or a HLTA to work with targeted pupils to deliver 1:1 support or working with a small group of pupils to accelerate progress and narrow the gap in attainment.

Governors monitor PPG through the Finance Committee and progress is monitored through the Curriculum Committee.

There is a wide range of after school clubs and sporting activities on offer and where possible priority is given to PP pupils.

Claire Tomlinson (Vice Chair of Governors)
